EUROTECK SYSTEMS UK LIMITED

GENERAL TERMS AND CONDITIONS OF SALE

Issue 6: May 2023

1. DEFINITIONS. "Seller" means Euroteck Systems UK Limited. "Buyer" means the entity to which Seller's Offer is made or the entity purchasing Goods and/or Services from Seller. "Goods" means the products, parts, materials, and/or equipment included in Seller's Offer and/or Buyer's Order. "Services" means services offered or rendered by Seller. "Offer" means any quotation, bid, or proposal for Goods and/or Services made by Seller to Buyer. "Order" means Buyer's purchase order issued to Seller, or similar instrument. "Order Confirmation" means Seller's written acknowledgment and acceptance of Buyer's Order. "Partner" means a trading company represented by Euroteck Systems in the role of agent, distributor, reseller, or lead generator. All references to "Seller's terms and conditions" herein mean and include (i) these Terms and Conditions of Sale and (ii) any other terms and conditions mutually agreed by the Parties in writing in accordance with Section 3. Seller and Buyer are also referred to herein individually as a "Party" and collectively as the "Parties".

2. OFFERS. Unless stated otherwise in writing by Seller, all Offers made by Seller shall be valid for a period of thirty (30) days from the date of such Offer. Unless accepted by the Buyer within the Offer validity period, Seller reserves the right to withdraw and/or revise the Offer. The prices offered by Seller apply only to the specific quantities, specifications, statement of work, delivery schedules, and Seller's terms and conditions set forth in Seller's Offer.

3. ACCEPTANCE OF BUYER'S ORDER. Seller's terms and conditions herein apply to all Offers made, and all Orders accepted, by Seller. Seller's acceptance of Buyer's Order, and any changes or amendments thereto, is strictly limited to and conditioned upon Seller's terms and conditions and is subject to issuance of an Order Confirmation by Seller. Unless otherwise agreed in writing by a duly authorized representative of Seller, Seller objects to and is not bound by any terms or conditions that differ from, add to, or modify Seller's terms and conditions. Seller's failure to object to any terms and conditions or any other provisions contained in any communication from Buyer, including, but not limited to, Buyer's Order and any changes or amendments thereto, does not waive any of Seller's terms and conditions specified herein. Unless Seller agrees otherwise, Buyer's issuance of an Order in response to Seller's Offer shall conclusively evidence Buyer's unconditional acceptance of Seller's terms and conditions irrespective of any different terms and conditions Buyer may offer or include in its Order. Seller's terms and conditions shall be applicable whether they are attached to or enclosed with Goods and/or Services sold or to be sold hereunder.

4. PRICES. Unless otherwise agreed in writing by a duly authorized representative of Seller, all prices are stated in GBP, and all invoices issued by Seller and payments made by Buyer, shall be in GBP. Unless otherwise stated in Seller's Offer, all prices are exclusive of packing, shipping, installation, commissioning, and training costs. Subject to the Offer validity period, if any, the prices set forth in Seller's Offer may be revised, without notice and at Seller's discretion, at any time prior to Seller's acceptance of Buyer's Order.

5. PAYMENT TERMS. Subject to Seller approval of Buyer's credit, payment terms for Orders are net thirty (30) days from date of Seller's invoice. All amounts due to Seller, but not paid by Buyer on the due date, bear interest payable at a rate equal to the lesser of (i) one and one-half percent (1.5%) of the outstanding balance per month, or (ii) the maximum interest rate permitted under applicable law. Interest accrues on past due amounts as of the date on which such amounts become due until the date Seller receives payment from Buyer. Buyer shall also be liable to Seller for any expense's incidental to collection of past due amounts, including reasonable solicitors' fees and court costs. Credit limits applicable to Buyer shall be determined solely by Seller. If, in the sole judgment of Seller, the financial condition of Buyer justifies Seller's continued performance of Buyer's Order, Seller may require full or partial payment in advance and, in the event of Buyer's bankruptcy or insolvency, Seller shall be entitled to cancel any Order then outstanding, and Buyer shall pay Seller any applicable cancellation charges. Failure by Buyer to meet the credit requirements of Seller may result in performance delivery delays equal day for day to the delays by Buyer in taking any actions necessary to meet Seller's credit requirements. In such event, Seller shall not be liable for any such delays.

6. TAXES. The amount of any present or future sales, use, excise, import duty, brokerage fees, value-added or other tax applicable to the manufacture, sale, or lease of Goods, or the provision of Services, shall be added to Seller's invoice and shall be the sole responsibility of Buyer, unless Buyer provides Seller a valid tax exemption certificate acceptable to the applicable taxing authority.

7. INSPECTION AND TESTS. All Goods manufactured by Seller and its Partners are subject to Seller's standard inspection and quality assurance processes and, if applicable, acceptance testing at Seller's or Partners facility. Any additional requirements mutually agreed by the Parties, including, without limitation, Buyer's source inspection or additional testing required by Buyer, shall be at Buyer's sole expense. If Buyer requires inspection by Buyer or Buyer's representative at Seller's place of manufacture, such inspection shall not unreasonably interfere with Seller's operations. Seller shall give Buyer at least two (2) business days advance notice of availability of Goods for Buyer's inspection. If Buyer fails to perform such inspection within three (3) business days after said notice is received, or such other period as agreed by Seller, Buyer's inspection shall be deemed to have been waived by Buyer.

8. PACKING AND PACKAGING. All Goods shall be packed and packaged in accordance with Seller's standard commercial packing and packaging methods. Any nonstandard or special packing or packaging requested by Buyer shall be at Buyer's sole expense.

9. SHIPPING TERMS, TITLE, AND RISK OF LOSS. Unless agreed otherwise by Seller in writing, shipping terms shall be as expressly stated in Seller's Offer. If Seller's Offer does not specify shipping terms, all shipments shall be delivered EXW Seller's facility in accordance with the version of Incoterms in effect as of the date of the Order. Risk of loss and title to Goods shall pass upon such delivery. If Seller prepays shipping, insurance, or other related charges, Buyer agrees to reimburse Seller promptly for such charges.

10. DELIVERY SCHEDULES AND FORCE MAJEURE. Shipping dates are approximate and require prompt receipt of all necessary Buyer-furnished information and materials, if applicable. Any delay or failure of Seller to perform its obligations under Buyer's Order shall be excused if such delay or failure is the result of an unforeseeable event or occurrence beyond the reasonable control of Seller, and without its fault or negligence, including, but not limited to, acts of God, actions by any governmental authority, terrorism, fires, floods, windstorms, explosions, riots, natural disasters, wars, sabotage, labour problems (including lockouts, strikes, and slowdowns), inability to obtain power, utilities, materials, labour, equipment, transportation, or court injunction.

11. CHANGES. Buyer may request changes to the general scope of Buyer's Order by a written notice to Seller, provided, however, such changes shall not be effective unless and until Seller consents to such changes in writing. If any such changes cause an increase or decrease in the cost of, or the time required for, the performance of any part of Buyer's Order, an equitable adjustment shall be made to the price and/or delivery schedule, and Buyer's Order shall be modified to reflect such change and adjustment in writing.

12. TERMINATION FOR CONVENIENCE; ORDER CANCELLATION. Buyer's cancellation of any Order that has been accepted and confirmed by Seller is subject to a restocking charge of twenty percent (20%) of the Order price for such items unless Buyer's written cancellation notice is received by Seller not less than thirty (30) days prior to the Order's confirmed delivery date. All other Orders are non-cancellable and non-returnable, and Buyer is liable for payment of the full Order price for same. Blanket Orders, Master Supply Agreements, and the like, which are accepted and confirmed by Seller are non-cancellable and Buyer shall pay Seller the full Order value for the balance of quantities not previously called off or delivered to Buyer. All such quantities will be shipped and invoiced no later than the last delivery date or expiration date specified in the Order.

13. TERMINATION FOR DEFAULT. If a Party (the "Breaching Party") is in material breach of a material provision of Buyer's Order, the other Party (the "Non-Breaching Party") shall submit a written cure notice to the Breaching Party advising of such breach. The Breaching Party shall have thirty (30) days from receipt of such notice to cure the breach. If the Breaching Party does not cure the breach within the thirty (30) day cure period, the Non-Breaching Party may terminate Buyer's Order. Either Party may immediately terminate Buyer's Order if the other Party is adjudicated bankrupt, files a petition for bankruptcy, makes an assignment for the benefit of creditors, or if an action under any law for the relief of debtors is taken.

14. LIMITED WARRANTY. Except as otherwise stated in Seller's Offer or Order Confirmation, Seller warrants that all Goods delivered under Buyer's Order shall be free from defects in material and workmanship and conform to Seller's specifications for a period of twelve (12) months from the date of original shipment. For all warranty claims, Buyer shall promptly return any defective Goods to Seller (or, if directed by Seller, to Seller's authorized service provider) at Buyer's sole expense. If, upon receipt, Seller (or its authorized service provider) determines that the Goods are defective, Seller (or its authorized service provider) shall, at its option, either repair or replace the defective Goods. In the case of defective Services, Seller shall re-perform such Services. Such repair, replacement, or re-performance by Seller shall be Buyer's sole remedy for defective Goods and Services. This warranty does not apply to any Goods that, upon examination by Seller (or its authorized service provider), are found to have been (i) mishandled, misused, abused, subjected to accident, or damaged, (ii) altered from their original state, (iii) repaired by a party other than Seller without Seller's prior written approval, (iv) subjected to shock or other trauma which results in breakage or malfunction of the equipment, or (v) improperly stored, installed, operated, or maintained in a manner inconsistent with Seller's instructions (including overheating caused by the failure to use recommended safety devices). This warranty does not apply to defects attributed to (a) normal wear and tear, or (b) failure to comply with the Seller's Safety Warnings. Under no circumstances is Seller liable for recall, retrieval, removal, dismantling, re-installation, redeployment, or re-commissioning of any defective Goods or any costs associated therewith. Consumables obtained from third parties shall bear the warranty of their manufacturer. The warranty period for repaired or replaced Goods or re-performed Services shall be the unexpired portion of the original warranty period.

THESE EXPRESS WARRANTIES, INCLUDING THE REMEDIES SET FORTH HEREIN, ARE EXCLUSIVE AND ARE IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS INTENDED OR GIVEN. IN THE CASE OF GOODS OTHER THAN THOSE OF SELLER'S OWN MANUFACTURE, SELLER MAKES NO WARRANTIES, EXPRESS, STATUTORY, OR IMPLIED.

15. RETURN AUTHORIZATIONS. Buyer's return of defective Goods to Seller is subject to Seller's then current return authorization process and procedures. Buyer shall promptly notify Seller of any non-conformance or defects in Goods and provide Seller a reasonable opportunity to inspect such Goods. Goods shall not be returned without Seller's prior authorization, as evidenced by a Return Material Authorization (RMA) number issued by Seller. Once an RMA number is obtained, Buyer shall return Goods transportation and insurance prepaid in accordance with instructions issued by Seller. Failure to follow Seller's return authorization procedures may result in lost Goods, delays, additional service, restocking charges, warranty denial, or refusal of a return shipment. The RMA number must appear on the shipping label and all paperwork associated with the return. Buyer shall identify the model or part number, description, and serial number, if applicable, for each of the Goods returned along with an explanation of the non-conformance or defect. Issuance of a RMA number by Seller does not necessarily mean Seller agrees that returned Goods are defective or covered under warranty, or that Goods will be repaired or replaced at no cost to Buyer. Goods repaired or replaced under warranty shall be returned to Buyer at Seller's expense. If any Goods returned by Buyer are found not to be defective, Buyer shall be so notified, and such Goods shall be returned to Buyer at Buyer's expense. If the repair or replacement of Goods is not covered by this warranty, such repair or replacement shall not be performed until and unless Buyer issues an Order to Seller authorizing such repair or replacement at Seller's then-current repair or replacement price. In addition, Seller may charge Buyer for any testing or inspection costs. In no event shall Seller retain, or store returned Goods for more than six (6) months.

16. TOOLING. Unless agreed otherwise by Seller in writing, all tooling, fixtures, equipment, tools, software, and designs produced, acquired, or used by Seller for the purposes of fulfilling Buyer's Order shall remain the property of Seller or its Partners.

17. PRODUCTION DISCONTINUATION; END-OF-LIFE BUY. Seller shall continue to offer the Goods for sale, provided that the Goods (specific part number, model, or product family) meet business criteria established and maintained solely at Seller's discretion. Any Goods that do not, or are not expected to, meet Seller's business criteria may be eliminated from Seller's product offerings ("Discontinued Product"). In such event, last-buy notices for Discontinued Product shall be provided to all current and prior customers of the affected Goods. Seller shall endeavour to provide a minimum of six (6) month's (the "Last-Buy Period") written notice of any change in product availability to all customers who have taken delivery of the affected product in the two (2) years prior to the date of such notice, or who have confirmed, but not placed, Orders with Seller for the affected product. Further, Seller shall endeavour to provide such notices to customers who have indicated an intention to order the affected product through written forecast information submitted to Seller or by other means. Orders for Discontinued Product confirmed by Seller during the Last-Buy Period will be subject to product availability and will be confirmed no later than the end of the Last-Buy Period. Seller will schedule delivery of last-buy Orders, at Buyer's sole discretion, over a period not to exceed three (3) months following the last date of acceptance of last-buy Orders. All last-buy Orders will only be accepted on a non-cancellable, non-returnable basis. Seller will make every attempt to satisfy all confirmed last-buy Orders for Discontinued Product quantities. If, due to circumstances beyond Seller's control, Seller is unable to deliver the full quantity of Discontinued Product under Buyer's last-buy Order, the balance of the undelivered quantity will be cancelled, and Seller shall have no further obligations to Buyer.

18. PROPRIETARY RIGHTS. Seller and its Partners shall retain all right, title, and interest in and to any data, information, software programs, tools, specifications, templates, scripts, ideas, concepts, inventions, works of authorship, products, know-how, processes, techniques, and the like used or developed by Seller, its Partners, its employees, and its subcontractors in connection with Buyer's Order. Buyer agrees that Seller and its Partners retain all proprietary rights in and to all products, specifications, designs, discoveries, inventions, patents, copyrights, trademarks, trade secrets, and other proprietary rights relating to Goods or Services. Unless otherwise identified in writing to Seller, no information or knowledge heretofore or hereafter disclosed to Seller in the performance of, or in connection with, the terms hereof, shall be deemed to be confidential or proprietary and any such information or knowledge shall be free from restrictions, other than a claim for patent infringement, as part of the consideration hereof. Unless otherwise agreed in writing, Seller and its Partners shall retain title to all software delivered by Seller, or embedded in Seller's Goods, if applicable, and use of such software by Buyer or third parties is subject to the terms and conditions of Seller's license agreement.

19. CONFIDENTIALITY. Each Party (the "Receiving Party") shall keep confidential and not directly or indirectly disclose to any third party any Confidential Information, as defined herein, furnished to it by the other Party (the "Disclosing Party") in connection with Seller's Offer and/or Buyer's Order without the Disclosing Party's prior written consent. "Confidential Information" includes, but is not limited to, business, financial, statistical, and commercial information, pricing, technical data and information, formulae, analyses, trade secrets, ideas, methods, processes, know how, computer programs, designs, data sheets, schematics, configurations, and drawings. Confidential Information does not include information that (i) is or becomes generally available to the public other than as a result of disclosure by Receiving Party, (ii) was available on a non-confidential basis prior to its disclosure by Disclosing Party, (iii) is or becomes available to Receiving Party on a non-confidential basis from a source other than Disclosing Party when such source is not, to the best of Receiving Party's knowledge, subject to a confidentiality obligation with Disclosing Party, or (iv) was independently developed by Receiving Party without reference to the Confidential Information, and Receiving Party can verify development of such information by written documentation.

20. SAFETY WARNINGS. Some of the Goods sold by Seller, can cause death, personal injury, or property damage if they are used, operated, maintained, stored, or disposed of improperly. In particular, the Goods may emit X-Ray radiation, so adequate safety precautions must be taken to minimize exposure. At a minimum, Buyer should adhere to the ALARA (as low as reasonably achievable) principle and should comply with all applicable regulations relating to protection against X-Ray emissions. The Goods may also contain pressurized gas which is explosive and/or a Class II laser device which can cause eye injury. Buyer is solely responsible for ensuring that the Goods are used, operated, maintained, stored, and disposed of by trained and qualified personnel who understand the risks and required safety precautions. The Goods must be operated in accordance with the User Manual, and proper heating and cooling procedures must be strictly always followed. The Goods may also contain hazardous substances, such as lead and beryllium. Buyer must comply with all applicable regulations relating to use and disposal of the Goods, including the Restriction on Hazardous Substances Directive adopted by the European Union (2011/65/EU), as hereafter amended. The Goods must be repaired or disassembled by Seller or its authorized service provider only. The Goods are intended to be used for non-destructive testing applications only and are not intended for use on human beings or animals. Seller is not liable for death, personal injury, or property damage that may be sustained, directly or indirectly, by any person because of Buyer's failure to use, operate, maintain, store, or dispose of the Goods properly or to implement the requisite safety precautions.

21. INDEMNIFICATION. Each Party (the "Indemnifying Party") agrees to indemnify, defend, and hold harmless the other Party, its officers, directors, and employees (the "Indemnified Party") from and against any and all liabilities, losses, expenses, liens, claims, demands, and causes of action ("Claims") for death, personal injury, or property damage arising out of any negligent act or omission of the Indemnifying Party in the performance of Buyer's Order, except to the extent such Claims are contributed to by (i) the negligence or wilful misconduct of the Indemnified Party, (ii) the negligence or wilful misconduct of any third-parties, or (iii) equipment, information, or materials furnished by Buyer to Seller. Seller's indemnification of Buyer does not apply unless Buyer (i) notifies Seller in writing of any such Claim as soon as reasonably practicable, and (ii) allows Seller to control, and reasonably cooperates with Seller, in the defence of any such Claim and related settlement negotiations. In all cases, Buyer agrees to indemnify, defend, and hold harmless Seller, its officers, directors, and employees for any and all Claims for death, personal injury, or property damage made by third-parties when any Goods delivered by Seller under Buyer's Order are manufactured in whole or in part to Buyer's designs, provided however, the indemnification shall not apply where any defect in the Goods is attributed to Seller's manufacturing process, assembly operation, or the negligence of Seller.

22. LIMITATION OF LIABILITY. Notwithstanding any other provision herein, under no circumstances shall either Party be liable to the other for any consequential, special, incidental, indirect, multiple, administrative, or punitive damages, or any damage of an indirect or consequential nature arising out of or related to its performance under Buyer's Order, including, without limitation, loss of use, loss of revenues, loss of anticipated profits, and cost of capital, whether based upon breach of Buyer's Order, warranty, negligence, or any other type of Claim, and whether grounded in tort, contract, civil law, or other theories of liability, including strict liability, even if advised in advance of the possibility of such damages. Each Party's total liability to the other Party arising from or related to Buyer's Order, including, but not limited to, its liability for indemnity, defence, and hold harmless obligations, is limited to no more than the amount paid by Buyer to Seller under Buyer's Order. To the extent that this limitation of liability conflicts with any other Section or provision herein, such provision shall be regarded as amended to whatever extent required to make such provision consistent with this clause.

23. ETHICS AND VALUES. Seller is committed to uncompromising ethical standards, strict adherence to laws and regulations, and customer satisfaction. A copy of the **Euroteck Anti-Bribery and Corruption Policy** and **Environmental and Sustainability Policy** are available on request.

24. ORDER OF PRECEDENCE. Any inconsistency between Seller's terms and conditions, Buyer's Order, or any other documents related thereto, shall be resolved by giving precedence in the following order: (i) any terms and conditions mutually agreed by the Parties in writing in accordance with Section 3, (ii) Seller's Terms and Conditions of Sale, (iii) applicable Seller's Specifications, (iv) Statement of Work or Scope of Services, and (v) Form of Buyer's Order.

25. GOVERNING LAW AND VENUE. The performance of the Parties, and any judicial or arbitration proceedings, shall be construed and governed in accordance with the laws of the United Kingdom, excepting its laws and rules relating to conflict of law. Neither (i) the United Nations Convention on Contracts for the International Sale of Goods, (ii) the 1974 Convention on the Limitation Period in Contracts for the International Sale of Goods (hereinafter referred to as the "1974 Convention"), nor (iii) the Protocol Amending the 1974 Convention held at Vienna, Austria, on April 11, 1980, apply in any manner to the interpretation or enforcement of Seller's Offer, or Buyer's Order.

26. DISPUTES AND ARBITRATION. The Parties shall attempt to resolve any dispute, controversy, or claim arising under or relating to Seller's Offer or Buyer's Order, or to a material breach, including its interpretation, performance, or termination. If the Parties are unable to resolve such dispute, either Party may refer the dispute to arbitration. Unless otherwise mutually agreed by the Parties, the arbitration shall be conducted in English and in accordance with Rules of Arbitration of the International Chamber of Commerce, which shall administer the arbitration and act as appointing authority. The arbitration, including the rendering of the decision and/or award, shall take place in the United Kingdom, and shall be the exclusive forum for resolving the dispute, controversy, or claim. The arbitrator shall make the final determination as to any discovery disputes between the Parties. Examination of witnesses by the Parties and by the arbitrator shall be permitted. A written transcript of the hearing shall be made and furnished to the Parties. The cost of this transcript shall be borne equally by the Parties. The award or decision of the arbitrator shall state the reasons upon which the award or decision is based and shall be final and binding upon the Parties.

The prevailing Party shall be entitled to compensation for the expense of the arbitration, including, but not limited to, the award of solicitors' fees, at the discretion of the arbitrator. Both Parties waive their right to any appeal under any system of law. The award shall be enforceable before any court of competent jurisdiction upon the application to such court by either Party. The arbitrator shall have no authority to award any of the types of damages excluded hereunder and shall be so instructed by the Parties.

27. RELATIONSHIP OF THE PARTIES. Each Party is an independent contractor. Neither Party shall have authority to bind the other except to the extent authorized herein. This Agreement is not intended by the Parties to constitute or create a joint venture, pooling arrangement, partnership, or formal business organization of any kind. The Parties shall always act as independent contractors, and neither Party shall act as an agent for the other, and the employees of one Party shall not be deemed employees of the other Party.

28. MODIFICATIONS TO ORDER. Buyer's Order may only be modified by written instrument signed by duly authorized representatives of the Parties.

29. NOTICES. All notices given by the Parties shall be made in writing and delivered personally or sent by prepaid mail (by airmail if the notice is being communicated internationally), or by facsimile, cable, or email addressed to the intended recipient at its address or at its electronic address.

30. ASSIGNMENT. Neither Party may assign, delegate, sublicense, or transfer, whether by operation of law or otherwise, their obligations or rights hereunder without the other Party's written consent and any assignment, delegation, sublicense, or transfer (i) without such written consent is void and of no effect and, (ii) if consent is given, shall be binding upon, and inure to the benefit of the successors and assigns of the Parties. Notwithstanding this provision, Seller may, without Buyer's consent, subcontract work to be performed under Buyer's Order or assign Buyer's Order to a parent, subsidiary, or affiliate company of Seller. In addition, without securing such prior consent, Seller shall have the right to assign Buyer's Order to any successor, by way of merger or consolidation, or the acquisition of substantially all of the entire business and assets of Seller relating to the subject matter of Buyer's Order, provided that such successor shall expressly assume all of the assignor's obligations and liabilities under Buyer's Order, and provided further that Seller shall remain liable and responsible to Buyer for the performance and observance of all such obligations.

31. WAIVER; REMEDIES; COSTS. None of the Sections, terms, conditions, or provisions herein shall be waived by any act or knowledge on the part of Seller, except by written instrument signed by a duly authorized representative of Seller. The waiver by Seller of any term, condition, provision, or right hereunder or the failure to enforce at any time any of Seller's terms and conditions, or any rights with respect thereto, is not a continuing waiver or a waiver of any other rights, or of any material breach or failure of performance of Buyer. The remedies herein reserved or created for Seller shall be cumulative, and additional to any other or further remedies provided at law or in equity. Seller may remedy any breach of the terms or conditions hereof without waiving the breach remedied, or without waiving any other prior or subsequent breach. Buyer shall pay all Seller's costs and expenses, including solicitor's fees, incurred by Seller in exercising any of its rights or remedies hereunder or enforcing any of the terms or conditions hereof.

32. SEVERABILITY. If any term, condition, or provision herein is invalid, ineffective, or unenforceable under present or future laws, then the remainder of the terms, conditions, and provisions shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.

33. PARTIES. The Parties to any Offer, Order, or associated transaction are Seller and Buyer as identified above and unless expressly stated otherwise herein, no other persons, parties, or entities have any rights, or receive any benefits hereunder.

34. HEADINGS. The headings used herein are for reference purposes only and shall not affect the meaning or interpretation of any term, condition, or provision herein.

35. SURVIVAL. Any Section or provision herein which contemplates performance or observance after any termination or expiration of this Agreement, or which by its nature should survive, shall survive any termination or expiration of Buyer's Order, and continue in full force and effect.

36. ENTIRE AGREEMENT. Seller's terms and conditions (including Seller's Special Terms and Conditions, if applicable) and Buyer's Order (as accepted by Seller in accordance with the terms herein), including any applicable specifications, statement of work, or other applicable documents, constitute the entire agreement between the Parties and supersede any prior oral or written agreements, commitments, understandings, or communications with respect to the subject matter of Buyer's Order.
